

AKA SIDESWIPE

Matthew Mullins' Sideswipe Performance Team and Sharkey's Karate Studios Present

Winter Camp IX

December 27-30, 2007

Sharkey's Karate Studio, along with Sideswipe Performance Team, is once again raising the standard for the top sport karate training camps in the country. Are you ready to train with the stars from Sideswipe Performance Team? Be prepared for the Sharkey's Karate/Sideswipe **Winter Camp IX** - where we teach you to own it!

Our Goal

The goal of the Winter Camp is to have all participants leave the camp feeling like they have learned something new - and had a great time doing it. Now that the holiday break is here, it is time to jump start everyone's engines and prepare for the new competition season. This camp is used as a launching pad for competitors to get a jump on their competition for the next year. The campers will have the opportunity to learn new forms (weapons, traditional, Extreme and musical) and will work on a huge array of fighting drills and techniques. Our world champion instructors will also help the campers tailor their forms to meet their full potential. Throughout the week, campers will experience and learn modern conditioning and training drills that will help them reach new levels.
